Respected Sir,

The Unesco has notified a fellowship for six months in any country outside India for literary pursuits by any young writer of recognised merit. I have been an amateur journalist since 1930 and I believe I have every chance of success should I send in my application. As the last date is 20th September 1953, I am hurrying up with the medical certificates and other documents. There is one clause which calls for an assurance to the Unesco that if I get a fellowship I shall come back to my job after the foreign tour. I intend taking leave to which I am eligible.

I, therefore, request you kindly to provide me with the formal assurance. This is my only chance to go abroad.

Yours obediently,
xx
